ABOUT WOMEN OF IMPACT

WHAT IS WOMEN OF IMPACT?

Women of Impact is an empowerment organization based in the Orlando area. Its purpose is to develop, equip & empower women to be leaders who impact their communities. The organization is made up of three divisions: meet ups, the focus group and individual mentorship. These divisions ensure that women have all the support and resources necessary to develop into the best version of themselves.

EST. 2018

DIVISIONS

MEET UPS

These are public events hosted monthly for women to come together and enjoy food, fun & focus topics!

FOCUS GROUP

This group is open to a select few who desire to dive deeper & take their growth to a personal level.

MENTORSHIP

Members of the focus group have the opportunity to schedule a weekly call to discuss their lives and have accountability.

THE OWNER & FOUNDER

Oksana Tademy is the founder of Women of Impact. As a devoted woman, wife & mother, she is empathetic and compassionate towards the plight of other women. She has a desire to see them thrive in their roles and to become leaders who impact their own sphere of influence.

As a business owner & personal development coach, this is an extension of the work she does to transform womens' lives. As a speaker, author, and singer she furthers this cause through her guide books, podcasts, music therapy, and dynamic workshops. To learn more about Oksana Tademy, visit the website below.
